CLASSIC

KIRSCHER - CHERRY

Our Unterthurner Kirsche – Cherry is a fruit-intensive spirit drink made from northern Italian Amarena cherries. These grow and thrive magnificently in the southern Alps, in the ideal climate for slow ripening. It is particularly important for our distillates that the fruit is harvested when fully ripe and distilled immediately. This allows the aroma of the fruit to be optimally extracted.

After distillation in our copper still using the discontinuous water bath method, the cherry spirit drink matures for a year in stainless steel barrels.

AROMA & TASTE

An extraordinary distillate with an intense bouquet of ripe Amarena cherries and full fruity cherry notes on the palate.

DEGUSTATION & FOODPAIRING

Give the Unterthurner Kirsche – Cherry some time in the glass to develop and enjoy it at room temperature. Goes well with cherry cake, desserts or cheese dishes.

Status 02/2026 / Errors excepted
