CLASSIC

ZWETSCHGE - PLUM

The beginning of September is plum season! The fully ripe plums from northern Italy are cleaned, pitted and processed into mash immediately after delivery. Distiller Andreas then distils them in individual batches in our copper still using the discontinuous water bath method. Like all Unterthurner Classic distillates, the plum also matures for at least a year in stainless steel barrels.

AROMA & TASTE

When tasting, you first notice the harmonious, fresh plum aromas, while on the palate the plum convinces with its fruitiness and a light almond note.

TASTING & FOODPAIRING

Give the Zwetschge – Plum Classic some time in the glass to develop and enjoy the spirit at room temperature. Our Zwetschge – Plum Classic goes particularly well with plum cake and savory desserts.
