SÜDTIROLER HIMBEERE - SOUTH TYROLEAN RASPBERRY

A special spirit made from Marteller raspberries, the paradise for mountain raspberries in South Tyrol. For decades, the farmers in Vinschgau Valley have known exactly what their fruit needs to develop its unique aroma. Altitudes of up to 1800 meters offer a mild, dry climate. Due to the low temperatures, the raspberries ripen slowly and develop their intense aroma. It is precisely these flavors that we have captured in our Südtiroler Himbeere - South Tyrolean raspberry. After discontinuous distillation in our small rarity plant, the Südtiroler Himbeere - South Tyrolean raspberry spirit is allowed to mature for at least two years in stainless steel barrels. This makes the spirit even softer and milder. And this was confirmed by the 94-point rating at the 2026 Falstaff Tasting.

AROMA & TASTE

Raspberry is intensely evident on the nose, while harmonious fruity notes unfold on the palate in the finish.

DEGUSTATION & FOODPAIRING

Before you enjoy the spirit neat, give it some time in the glass to develop. Contact with the oxygen allows all the aromas to reach your nose and palate. Ideal with creamy desserts.
