HAUSBITTER – HOUSE BITTER

Raw materials from South Tyrol's mountains and forests - that was the inspiration for our cellar master Davide Casagranda when creating this digestif. After extensive experimentation with different raw materials, combinations and recipes, he and the Unterthurner team decided on a unique recipe of 16 different herbs with masterwort, nettles and lime blossom as the main components. They are complemented by angelica root, mint, gentian root and other wild herbs and spices. Together, they produce a harmonious, intense bitter with subtle notes of mint, gentian root and angelica root. Our Hausbitter - House bitter are refined with our own organic orange spirit. Our Hausbitter - House bitter were awarded 90 out of a possible 100 points by Falstaff Spirits Special in 2024.

AROMA & TASTE

The bouquet develops fresh orange aromas paired with lime, masterwort and gentian aromas. Fresh mint notes on the palate with a bitter aftertaste of angelica root.

DEGUSTATION

The Hausbitter - House bitter is enjoyed neat after a meal, on ice or as a cocktail.

COCKTAIL

„Bitter Farmacy“: fill a tumbler with ice, pour 1 cl of Hausbitter - House bitter, 1 cl of Waldkräuterbitter - Forest Herb bitter and 3 cl of Klosterbitter - Monastery bitter into the glass, then top up with mineral water and garnish with mint.
