SÜDTIROLER MARILLE - SOUTH TYROLEAN APRICOT

The delicate apricot fruit with its soft skin and hard stone loves the climate of the South Tyrolean Vinschgau Valley. Its mild and dry altitudes give apricots a uniquely sweet aroma that is known far beyond the borders. The freshly harvested fruit is fermented by us and then distilled by hand in our copper still using a discontinuous water bath process. After a one-year maturation phase in stainless steel barrels to develop even better, the spirit made from Vinschgau Valley apricots finds its way into the bottle.

AROMA & TASTE

Our Südtiroler Marille - South Tyrolean Apricot Selection has fresh, fruity apricot aromas and a pleasantly fruity and persistent taste.

TASTING

Give the Südtiroler Marille - South Tyrolean Apricot sometime in the glass to develop and enjoy it at room temperature.
