### WALDLER RISERVA LIMITED EDITION

A masterpiece for our anniversary: The Waldler Riserva is our tribute to 50 years of Waldler® Original, blending tradition with new depth. For this special edition, we use only hand-picked wild raspberries that grow on sunny slopes and forest edges throughout the region and are processed with the utmost care. Distillation takes place gently in our batch still using the water bath method. After one year of aging in stainless steel barrels, the distillate matures for another two years in specially selected acacia barriques. This is how the Waldler Riserva gains structure, elegance, and aromatic complexity. Limited to 1,000 numbered bottles—a rarity for connoisseurs and collectors.

## AROMA & TASTE

The nose reveals delicate raspberry aromas, accompanied by subtle hints of honey and apple. On the palate, it is lively and well-balanced, with elegant hints of vanilla and soft oak notes. The finish is round, smooth, and long-lasting.

## TASTING

A special treat enjoyed on its own at room temperature - perfect paired with dark chocolate or our Unterthurner Waldler chocolates.
